Garbage & Recycling

Garbage and recycling service is included in all utility bills for residential and commercial customers inside city limits. All residential customers are required to pay for one (1) garbage roll cart and one (1) recycling roll cart (\$17.75 monthly fee). Commercial customers are required to pay for two (2) garbage roll carts, unless a written request has been approved by Town staff to only allow one (1) garbage roll cart. For commercial accounts, there is a monthly fee of \$34.00 for (2) garbage roll carts, and (1) recycling bin. There is an additional \$.75 monthly charge for any business that wishes to have their 18 gallon recycling bin replaced with a 64-gallon recycling roll cart. If a residence or business requests additional garbage roll carts, there will be an additional monthly fee of \$17.00 per roll cart.
